We strongly recommend that you take a look at the following resources:

- The Five-Step Program

(<http://www.qualtrics.com/university/researchsuite/miscpages/misc/learn-qualtrics-in-5-steps/>) will teach you all you need to know to get started. It includes recorded trainings and survey-building activities, and the whole program can be completed in less than three hours.

- Qualtrics University Online (<http://www.qualtrics.com/university/researchsuite/>) has over 100 articles with videos, step-by-step guides, and Q-Tips read to answer any and all of your questions.

- Qualtrics experts have also written a few free eBooks (<http://www.qualtrics.com/university/researchsuite/ebooks>) that are available for download. Be sure to check them out, as they cover everything about Qualtrics and provide an introduction to Market Research Concepts. For support on using the system you can contact Qualtrics support at [support@qualtrics.com](mailto:support@qualtrics.com).
